

PEGBOARD HOOKS

SCAN > 2-PC STRAIGHT ENTRY > QUICK BACK® HOOKS

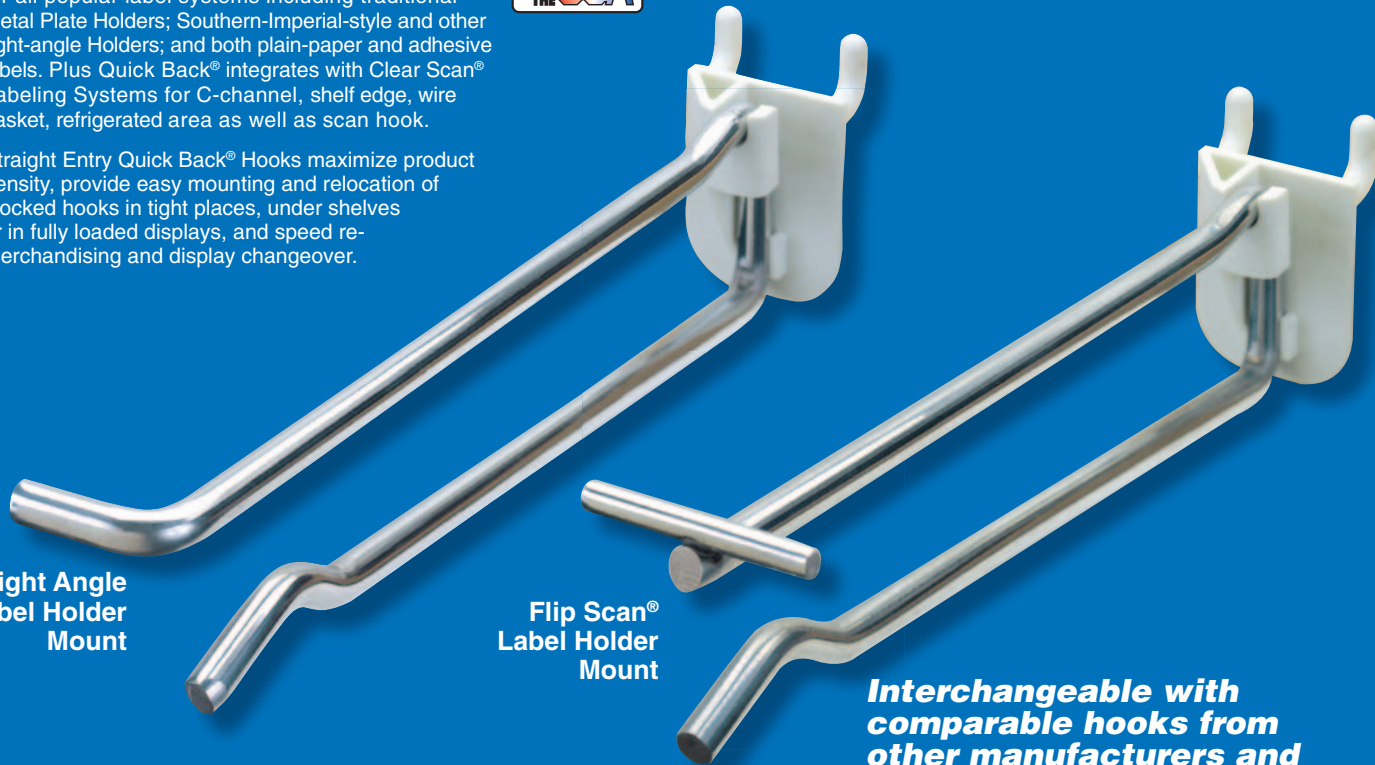

Quick BACK®

**Speed set up.
Display more facings.
Re-merchandise with ease.**

Only Trion® Quick Back® offers you a choice of fronts for all popular label systems including traditional Metal Plate Holders; Southern-Imperial-style and other right-angle Holders; and both plain-paper and adhesive labels. Plus Quick Back® integrates with Clear Scan® Labeling Systems for C-channel, shelf edge, wire basket, refrigerated area as well as scan hook.

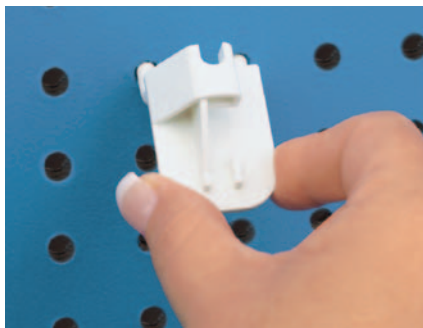

Straight Entry Quick Back® Hooks maximize product density, provide easy mounting and relocation of stocked hooks in tight places, under shelves or in fully loaded displays, and speed re-merchandising and display changeover.
